Group Health Plan Notices 2021

Annual Required Legal Notices and Disclosures for Plan Participants

Medicare Part D Notice

Important Notice About Your Prescription Drug Coverage and Medicare

Individual CREDITABLE Coverage Disclosure

Employers must provide a notice to all employees when they first enroll in an employer-sponsored health plan and annually thereafter. This notice must describe the benefits that must be provided by the employer's medical benefits plans as required by WHCRA. In general, health plans providing coverage for mastectomies also must provide certain services relating to the mastectomy that are consistent with other benefits under the medical benefits plan.

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare prescription drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Southam & Associates has determined that the prescription drug coverage offered by CIGNA (OAP Choice Plan \$1,000 Ded, OAP Base Plan \$1,500 Ded and the OAP HDHP \$2,800 Ded) are expected to pay, on average, as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare drug plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare prescription drug plan.

What happens to your current coverage if you decide to join a Medicare prescription drug plan?

Individuals who are eligible for Medicare should compare their current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in their area. If you are eligible for Medicare and do decide to enroll in a Medicare prescription drug plan and drop Southam & Associates' group health plan prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact Human resources for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

Your medical benefits brochure contains a description of your current prescription drug benefits.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Southam & Associates and don't join a Medicare prescription drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage...

Contact your Human Resources Department for further information NOTE: You will receive this notice annually, before the next period you can join a Medicare prescription drug plan, and if this coverage through Southam & Associates changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit the Social Security Administration (SSA) online at www.socialsecurity.gov, or call SSA at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: keep this creditable coverage notice. If you decide to join one of the Medicare prescription drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Required Notices

Women's Health & Cancer Rights Act

The Women's Health and Cancer Rights Act (WHCRA) requires group health plans to make certain benefits available to participants who have undergone or who are going to have a mastectomy. In particular, a plan must offer mastectomy patients benefits for:

- Covered under the employer-sponsored medical plan, and
- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Your plans comply with these requirements.

Health Insurance Portability & Accountability Act Non-discrimination Requirements

Health Insurance Portability & Accountability Act (HIPAA) prohibits group health plans and health insurance issuers from discriminating against individuals in eligibility and continued eligibility for benefits and in individual premium or contribution rates based on health factors.

These health factors include health status, medical condition (including both physical and mental illnesses), claims experience, receipt of health care, medical history, genetic information, evidence of insurability (including conditions arising out of acts of domestic violence and participation in activities such as motorcycling, snowmobiling, all-terrain vehicle riding, horseback riding, skiing, and other similar activities), and disability.

Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, HIPAA Special Enrollment Rights require your plan to allow you and/or your dependents to enroll in Southam & Associates' plans (except dental and vision plans elected separately from your medical plans) if you or your dependents lose eligibility for that other coverage (or if the employer stopped contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days (60 days if the lost coverage was Medicaid or Healthy Families) after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. Other midyear election changes may be permitted under your plan (refer to "Change in Status" section). To request special enrollment or obtain more information, contact your Human Resources Representative.

“HIPAA Special Enrollment Opportunities” include:

- COBRA (or state continuation coverage) exhaustion.
- Loss of other coverage ⁽¹⁾.
- Acquisition of a new spouse or dependent through marriage ⁽¹⁾, adoption ⁽¹⁾, placement for adoption ⁽¹⁾ or birth ⁽¹⁾.
- Loss of state Children’s Health Insurance Program coverage (e.g., Healthy Families)(60-day notice) ⁽¹⁾.
- Employee or dependents become eligible for state Premium Assistance Subsidy Program (60-daynotice).

“Change in Status” Permitted Midyear Election Changes

- Due to the Internal Revenue Service (IRS) regulations, in order to be eligible to take your premium contribution using pre-tax dollars, your election must be irrevocable for the entire plan year. As a result, your enrollment in the medical, dental, and vision plans or declination of coverage when you are first eligible, will remain in place until the next Open Enrollment period, unless you have an approved “change in status” as defined by the IRS.
- Examples of permitted “change in status” events include:
 - Change in legal marital status (e.g., marriage ⁽²⁾, divorce or legal separation)
 - Change in number of dependents (e.g., birth ⁽²⁾, adoption ⁽²⁾ or death)
 - Change in eligibility of a child
 - Change in your / your spouse’s / your state registered / unregistered / state registered and unregistered domestic partner’s employment status (e.g., reduction in hours affecting eligibility or change in employment)
 - A substantial change in your / your spouse’s / your state registered / unregistered / state registered and unregistered domestic partner’s benefits coverage
 - A relocation that impacts network access
 - Enrollment in state-based insurance Exchange
 - Medicare Part A or B enrollment
 - Qualified Medical Child Support Order or other judicial decree
 - A dependent’s eligibility ceases resulting in a loss of coverage ⁽³⁾
 - Loss of other coverage
 - Change in employment status where you have a reduction in hours to an average below 30 hours of service per week, but continue to be eligible for benefits, and you intend to enroll in another plan that provides Minimum Essential Coverage that is effective no later than the first day of the second month following the date of revocation of Southam & Associates sponsored coverage
 - You enroll, or intend to enroll, in a Qualified health Plan (QHP) through the State Marketplace (i.e. Exchange) and it is effective no later than the day immediately following the revocation of Southam & Associates sponsored coverage.

You must notify Human Resources within 30 days of the above change in status, with the exception of the following which requires notice within 60 days:

- Loss of eligibility or enrollment in Medicaid or state health insurance programs (e.g., Healthy Families)

Employee Rights & Responsibilities under the Family Medical Leave Act

Basic Leave Entitlement

Family Medical Leave Act (FMLA) requires covered employers to provide up to 12 weeks of unpaid, job protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, child or parent, who has a serious health condition;
or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness ⁽¹⁾; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness. ⁽¹⁾

Benefits & Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

1) The FMLA definitions of "serious injury or illness" for current service members and veterans are distinct from the FMLA definition of "serious health condition".

2) Special hours of service eligibility requirements apply to airline flight crew employees.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months (2), and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions; the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider; or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

Uniformed Services Employment & Reemployment Rights Act Notice of 1994, Notice of Right to Continued Coverage under USERRA

Right to Continue Coverage

Under the Uniformed Services Employment & Reemployment Rights Act of 1994 (USERRA), you (the employee) have the right to continue the coverage that you (and your covered dependents, if any) had under the Company Medical Plan if the following conditions are met:

- You are absent from work due to service in the uniformed services (defined below);
- You were covered under the Plan at the time your absence from work began; and
- You (or an appropriate officer of the uniformed services) provided Southam & Associates with advance notice of your absence from work (you are excused from meeting this condition if compliance is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances).

How to Continue Coverage

If the conditions are met, you (or your authorized representative) may elect to continue your coverage (and the coverage of your covered dependents, if any) under the Plan by completing and returning an Election Form 60 days after date that USERRA election notice is mailed, and by paying the applicable premium for your coverage as described below.

What Happens if You Do Not Elect to Continue Coverage?

If you fail to submit a timely, completed Election Form as instructed or do not make a premium payment within the required time, you will lose your continuation rights under the Plan, unless compliance with these requirements is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances.

If you do not elect continuation coverage, your coverage (and the coverage of your covered dependents, if any) under the Plan ends effective the end of the month in which you stop working due to your leave for uniformed service.

Premium for Continuing Your Coverage

The premium that you must pay to continue your coverage depends on your period of service in the uniformed services. Contact Human Resources for more details.

Length of Time Coverage Can Be Continued

If elected, continuation coverage can last 24 months from the date on which employee's leave for uniformed service began. However, coverage will automatically terminate earlier if one of the following events takes place:

- A premium is not paid in full within the required time;
- You fail to return to work or apply for reemployment within the time required under USERRA (see below) following the completion of your service in the uniformed services; or
- You lose your rights under USERRA as a result of a dishonorable discharge or other conduct specified in USERRA.

We will not provide advance notice to you when your continuation coverage terminates.

Reporting to Work/Applying for Reemployment

Your right to continue coverage under USERRA will end if you do not notify Human Resources of your intent to return to work within the timeframe required under USERRA following the completion of your service in the uniformed services by either reporting to work (if your uniformed service was for less than 31 days) or applying for reemployment (if your uniformed service was for more than 30 days). The time for returning to work depends on the period of uniformed service, as follows:

Period of Uniformed Service	Report to Work Requirement
Less than 31 days	The beginning of the first regularly scheduled work period on the day following the completion of your service, after allowing for safe travel home and an eight-hour rest period, or if that is unreasonable or impossible through no fault of your own, then as soon as is possible.
31–180 days	Submit an application for reemployment within 14 days after completion of your service or, if that is unreasonable or impossible through no fault of your own, then as soon as is possible.
181 days or more	Submit an application for reemployment within 90 days after completion of your service.
Any period if for purposes of an examination for fitness to perform uniformed service.	Report by the beginning of the first regularly scheduled work period on the day following the completion of your service, after allowing for safe travel home and an eight-hour rest period, or if that is unreasonable or impossible through no fault of your own, as soon as is possible.
Any period if you were hospitalized for or are convalescing from an injury or illness incurred or aggravated as a result of your service.	Report or submit an application for reemployment as above (depending on length of service period) except that time periods begin when you have recovered from your injuries or illness rather than upon completion of your service. Maximum period for recovering is limited to two years from completion of service but may be extended if circumstances beyond your control make it impossible or unreasonable for you to report to work within the above time periods

Definition

For you to be entitled to continued coverage under USERRA, your absence from work must be due to “service in the uniformed services.”

- “Uniformed services” means the Armed Forces, the Army National Guard, and the Air National Guard when an individual is engaged in active duty for training, inactive duty training, or full-time National Guard duty (i.e., pursuant to orders issued under federal law), the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.
- “Service in the uniformed services” or “service” means the performance of duty on a voluntary or involuntary basis in the uniformed services under competent authority, including active duty, active and inactive duty for training, National Guard duty under federal statute, a period for which a person is absent from employment for an examination to determine his or her fitness to perform any of these duties, and a period for which a person is absent from employment to perform certain funeral honors duty. It also includes certain service by intermittent disaster response appointees of the National Disaster Medical System (NDMS).

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at www.cigna.com/sp. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. In-network preventive care, office visits, diagnostic test, out-of-network inpatient hospital facility, out-of-network outpatient hospital facility, prescription drugs, emergency room visits, in-network urgent care facility visits.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. \$1,000 for out-of-network outpatient hospital visit; \$1,000 per admission for out-of-network hospital stay There are no other specific deductibles.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>For in-network providers: \$4,500/individual or \$9,000/family For out-of-network providers: \$9,000/individual or \$18,000/family Combined medical/behavioral and pharmacy out-of-pocket limit</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Penalties for failure to obtain pre-authorization for services, premiums, balance-billing charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.cigna.com or call 1-866-494-2111 for a list of network providers .	This plan uses a provider network . Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>For in-network providers: \$1,000/individual or \$2,000/family For out-of-network providers: \$2,000/individual or \$4,000/family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. In-network preventive care, office visits, out-of-network inpatient hospital facility, out-of-network outpatient hospital facility, prescription drugs, emergency room visits, in-network urgent care facility visits.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. \$1,000 for out-of-network outpatient hospital visit; \$1,000 per admission for out-of-network hospital stay There are no other specific deductibles.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>For in-network providers: \$3,500/individual or \$7,000/family For out-of-network providers: \$7,000/individual or \$14,000/family Combined medical/behavioral and pharmacy out-of-pocket limit</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Penalties for failure to obtain pre-authorization for services, premiums, balance-billing charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.cigna.com or call 1-866-494-2111 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>For in-network providers: \$2,800/individual - employee only or \$5,600/family maximum (no more than \$2,800 per individual - within a family) For out-of-network providers: \$6,000/individual - employee only or \$12,000/family maximum (no more than \$6,000 per individual - within a family) Combined medical/behavioral and pharmacy deductible</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. In-network preventive care.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services.</p>

If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Penalties for failure to obtain pre-authorization for services, premiums, balance-billing charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.cigna.com or call 1-866-494-2111 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
